FOR ADDRESS ONLY

St. Mary's Church. There are three churches in Penzance, but none of any note, historic or artistic. St. Mary's, whose tower is here seen at the top of the steep little street, has only one claim for distinction, the possession of a peal of very sweet bells. The new quarter of Penzance is clean, and the old picturesque. The climate is very mild in winter.

PICTURESQUE CORNWALL "Penzance."
